3. Continuing Business

a) Update NHERI Researchers Meeting. (Jennifer Bridge, Dan Cox and Julio Ramirez, 10')
Jennifer and Julio updated the Council on the progress. The applications for travel grants exceeded 90 already. The deadline for application is July 15. Julio shared the Summit flyer with the Council for distribution amongst its users and other networks.

b) NCO Items (5')

i. KOCED (Julio)

The conversations continue and now the focus is on establishing bilateral research collaboration first.

c) Facility status updates (All)- Jennifer invited the participants to share best practices

- SimCenter: Matt noted that dissemination through social media and colleagues has proven to be very effective.
- Lehigh: small group research planning workshops also very effective.
- UT Mobile: researchers should consider advertising the opportunity for payload collaborations from other researchers.
- RAPID: (Joe shared by e-mail message a brief update on the facility) we are currently supporting a reconnaissance mission in Yellowstone Park the following the recent floods and getting ready for our major training workshop which takes place later this month with 25 attendees.
- CONVERGE: Lori shared the following items with the Council:
 - We are gearing up for hosting the 47th Annual Natural Hazards Workshop (<https://hazards.colorado.edu/workshop/2022/theme>) and Researchers Meeting (<https://hazards.colorado.edu/workshop/2022/researchers-meeting/overview>). All are welcome and encouraged to join!
 - In addition to the 7 current NSF-funded EERs, CDC has begun a supplemental funds transfer to support an 8th EER, focused on Public Health Extreme Events Research (PHEER).
 - We now have 10 Training Modules available via CONVERGE, and have surpassed 5,000 registrants! <https://converge.colorado.edu/resources/training-modules/>
